Adults need around 2,000kcal a day

For more information about the presence of allergens in all our food or drink, please ask a member of our team every time before ordering even if you have dined with us before as you food ingredients and specifications can change. Full allergen information on the ingredients in the food or drink we serve is available via QR code on menu. Packaged products (i.e. sauce sachets and bottles, juices, water) are not covered in this allergen guide, allergen information for these products is printed on the packaging. We take great care to prevent cross-contamination when preparing your food, however, please be aware that all our dishes are prepared in kitchens where all known allergens are present and there is also risk of allergen cross contamination through shared cooking equipment e.g. fryers. Therefore, we cannot guarantee that any food item is completely free from allergens. If you would like further information on our cooking methods, please ask. As we use other foods containing gluten in our kitchens we cannot declare or guarantee that any of our dishes are gluten free. Our menu descriptions do not list all ingredients, please advise the team of any dietary requirements when ordering. Our staff cannot offer specific advice or recommendations beyond our published allergen communications. B32_LUNCH_HEY_2024
